

Reference Questionnaire

JCC-W Extension Master Gardeners

Extension Master Gardeners are trained volunteer educators. They work within their local communities to encourage and promote environmentally sound horticulture practices through sustainable landscape management education and training. Because you have been listed as a reference by one of our applicants, we request that you address the following questions regarding the applicant's qualifications to volunteer for our program. Feel free to write or continue your responses on a separate page if necessary.

Please complete and email *Reference Questionnaire* to training@jccwmg.org

Your Name:	How long and in what capacity have you known the applicant?
Applicant's Name:	
1. Why do you consider this person a good candidate to become an Extension Master Gardener?	
2. What can you tell us about the individual's ability to work as part of a team on a potential volunteer project?	
3. Extension Master Gardeners receive Risk Management Training, particularly regarding interacting with the public. Because our volunteer service projects sometimes involve communicating and interacting with children, do you feel there are any issues that would interfere with the applicant's ability to communicate or otherwise interact with children or that could endanger a child's well-being? If yes, please explain.	

Virginia Cooperative Extension is a partnership of Virginia Tech, Virginia State University, the U.S. Department of Agriculture, and local governments. Its programs and employment are open to all, regardless of age, color, disability, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, military status, or any other basis protected by law.
